## QEHS (Quality, Environmental, Health & Safety System) Policy 政策

We, the management and worker, commit:

- To satisfy and exceed customers' expectations and requirements by securing **quality as a foundation** of long term and enduring success;
- To **protect the environment, prevent pollution and fulfil our legal and compliance obligations to the environment** in order to be a responsible organization in the business community.
- To **fulfil our legal and other requirements for health and safety, eliminate and reduce OH&S risks within our workplace.**
- To **the consultation and participation of our staff in any OH&S matters.**
- To **continual improvement of our QEHS.**

This policy shall serve as:

- a framework for setting and reviewing the effectiveness of our system;
- the basis of consistency and continual improvements;
- a foundation for compliance with legal and other requirements; and
- a communication guidance for all our employees, stakeholders and interested parties.
